

<h2>BUSH CAMPING PERMIT TERMS AND CONDITIONS</h2>	IS274
	Responsible Officer: Manager Economic Development and Business Sustainability
	Issue Date: 05/05/2026
	Next Review Date: May 2030

The following Terms and Conditions are available at www.yorke.sa.gov.au or www.visityorkepeninsula.com.au or when purchasing a Bush Camping permit.

TERMS AND CONDITIONS

By purchasing a Yorke Peninsula Council Bush Camping permit, you agree to abide by the following Terms and Conditions, all of which are enforced at the discretion of Council's compliance staff.

Camping

Council has nineteen designated bush campgrounds where camping is permitted. Campers must purchase Bush Camping permits online or by contacting a Yorke Peninsula Council office before setting up camp in a campground. A permit covers one motor vehicle (and one caravan or trailer). Maximum of six guests per permit, of whom up to four can be aged over 16 (four adults maximum), and is for one campground only. If you wish to change campgrounds during your stay please book each campground separately or alternatively contact Council via admin@yorke.sa.gov.au or by calling 8832 0000.

Camping in other locations on local government land or on any road or reserve is prohibited. It is also illegal to camp on any Council-managed foreshore. This permit does NOT cover Dhillba Guuranda-Innes National Park – please refer to www.parks.sa.gov.au.

Any person who camps in a non-authorized area or does not pay the appropriate fee prior to using the designated campground may be issued with a \$312.50 expiation notice.

Pursuant to Council's by-laws, 'camping' includes setting up a camp, or erecting any tent, caravan, motor home or other structure or place of habitation on Local Government Land, Road or Road Reserve, or land in the care and control of the Yorke Peninsula Council for the purpose of staying overnight, whether or not any person is in attendance or sleeps on the land. The maximum booking per permit is 30 consecutive days. After camping on any of the designated camping reserves for a period of 60 consecutive days, you are unable to camp on any designated camping reserve until a further 30 consecutive days has expired. Council may give an extension to this clause upon application by a permit holder.

Please set up your van and site in a manner that ensures you are not taking up more space than is appropriate (ie park at a 90-degree angle wherever possible); Council compliance staff reserve the right to ask that you move or condense your site.

Refunds

Council has a policy of not refunding Bush Camping permit fees within seven days of the booking. Bookings outside of this seven-day window are to be cancelled using the online booking system and will be refunded. Campers who wish to change campgrounds partway through a permit must first contact Council via admin@yorke.sa.gov.au or by calling 8832 0000.

Days of high fire risk

It is your decision whether to stay at the Bush Camping site on days of Catastrophic or Extreme Bushfire risk. Council cannot facilitate departure from the sites, but strongly recommends you leave the night before Extreme or Catastrophic Bushfire Risk rated days. Please refer to the Bushfire Information Board that is set up at all Bush Camping Locations for current Bushfire Safe Locations and what to do in the event of Bushfire.

Campfires

Campfires are only permitted in designated camping areas, outside of the Fire Danger Season. It is illegal to take wood from a roadside or reserve for campfire use. More information on campfires can be viewed at www.visityorkepeninsula.com.au/campfires.

IS274 BUSH CAMPING PERMIT TERMS AND CONDITIONS

During the Fire Danger Season a campfire is not permitted. Failure to comply may result in a \$473 expiation notice. The camping locations are all part of the Yorke Peninsula Fire ban district. Campers are required to check the CFS website regularly for latest fire conditions and fire ban updates: www.cfs.sa.gov.au.

Dogs

Dogs are permitted on the camping grounds but must be kept under effective control at all times.

Your dog is considered to be under effective control if it is on a leash not exceeding 2 metres in length. Or, if it is off leash it must be in the campground (including foreshore); it must be visible at all times (cannot be walking behind you); it must be kept in close proximity; it must be able to be controlled under any circumstance; it must not run up to other people or animals; it must not attack, chase, harass or otherwise endanger the health of a person, animal or bird (whether or not actual injury is caused).

If your dog is not under effective control you may receive a \$315 on the spot fine for 'dog wandering at large'.

Toileting

It is strongly recommended that all campers are self-contained. Toilets provided are supplementary and not intended to service all campers. Toileting outside and any emptying of toilet waste in the environment is strictly prohibited, fines will apply.

The following Bush Camping areas do not currently have toilets available and therefore campers must be fully self-contained: Tiparra Rocks, Foul Bay Boat Ramp, Port Minlacowie (north section).

Rubbish

Please take your rubbish with you or use rubbish bins where provided. Leaving any type of rubbish at your camp site may result in an expiation notice being issued, with a maximum fee of \$1,000.

Noise

All bush camping sites are family friendly campgrounds and during your stay there will be others occupying the same area. Please apply common courtesy by ensuring noise is kept to an acceptable standard and consider others during your stay.
